

# Cavalier '58

Dear Jackie,

It has been very nice knowing you throughout these many years. May we always be friends whatever happens. I have had many a good time with you. Don't never forget all the many things we have done together and the places we have gone. I know we have had a few arguments and other things that don't really matter. May the rest of our days together be happy ones. I don't ever want to see us breakup, but as you know and I know there is a time, as you and I already have experienced in a mild manner. Remember all the trouble we have had over the Broom and many other things. Remember all the dates we have been on, which I have enjoyed very much. As you said in my Annual May the best girl win, but I say it the other way round may the best boy win. I thank you for every thing you have done for me. I know I seem might annoying some times but that is just the way I am. I hope nothing will ever part us. May you in the near future have the best of everything that is possible. Jackie you are a very nice girl and I hope you just stay that way.

Jackie Jenkins 9-11

May the years to come bring  
happiness to you. Jackie since  
I have been going with you I  
have been very happy and I hope  
I have made you happy. I know  
I have been bad in some ways.  
When this summer comes remember  
all the things we have ~~had~~ been  
doing. As you know we will see  
very little of each other. I give you  
my best wishes that is possible  
to give, and the Best of Luck.  
You are a sweet girl.

P.S.

Love Always,  
Butch

Don't  
forget

Prom  
to come  
this Friday

Jackie,  
Best wishes to you and may you succeed in  
everything you do. Best of luck always. May you  
go a long way in what ever you do. You are a  
very nice girl in many ways. May you keep up the  
good work in school and other ways.

Love Always,  
Butch

I thank you again  
for the good time I have  
had, and may the future  
will hold the same as before.  
May you always be sweet  
and kind girl. Please be  
a nice girl. That is the kind of  
girls boys respect most. May I talk with you  
again.

Jackie in school  
I may not see you  
but I will have the experience of  
my admission  
Please!

Best wishes  
to a very nice  
girl.

## *Your Treasure Chest*

Make for yourself a treasure chest,  
But not for gems and gold - Fill it  
with things more rare and fine,  
As full as it will hold.

Into it place your kindly thoughts,  
Of friends whom you hold dear,  
The classes, the teachers, the happy  
hours,  
That fill your life with cheer.

And then if dark days come along,  
And your bright prospects mar,  
Open your treasure chest and see  
How very rich you are.

## *Dedication*

*It will be very  
nice working with you

nicest girl  
Bill Belcher

We, THE CAVALIER STAFF, express our thanks to the Seniors who helped us with advertising, subscriptions, and photography.

We especially thank Walter Kihor for helping with photography throughout the year.

Also we express our gratitude to the faculty for their patience and endurance.

We are indeed grateful for Mrs. Treacle's guidance, patience, and suggestions without which there would not be a 1958 Cavalier.
